

Food Security & Pantry Support

Foundation-administered food access for Riverside County through verified partners and vendor-restricted grocery support.

Riverside County · Moreno Valley · Riverside · Perris · Inland Empire

1 WHO WE SERVE

Families facing food insecurity, rising grocery costs, and short-term hardship — including seniors on fixed incomes, working parents, and households navigating gaps between paychecks and basic needs.

2 THE NEED

Many working families are living between paychecks. One missed shift, medical expense, rent increase, car repair, or utility bill can immediately affect their ability to buy groceries.

3 HOW THE PROGRAM WORKS

Acts of Kindness Foundation provides **Foundation-administered** food support through verified pantry partners, food bank networks, and vendor-restricted grocery assistance. AOK may work with established food banks, pantry partners, and vendor-approved grocery channels as capacity allows. The program **does not provide unrestricted cash to individuals**. Assistance is subject to program capacity and verified need.

4 FUNDING OPTIONS FOR PARTNERS
