Animal Welfare & Rescue

Editor brief — Acts of Kindness Foundation · Moreno Valley, CA · EIN 41-5261893

Story hook: A Moreno Valley-based 501(c)(3) is building structured animal welfare support through verified shelters, rescues, and veterinary partners — not ad-hoc crowdfunding.

Program summary. Animal Welfare & Rescue is a Foundation-administered pillar focused on charitable support for vulnerable animals through qualified nonprofit shelters, rescue partners, licensed veterinary relationships, and approved vendors.

What support may include:

- Shelter operations assistance through verified partners
- Lifesaving supplies and approved veterinary interventions
- Foster-network infrastructure
- Emergency rescue coordination where partner capacity exists

Geography. California-first with capability for broader U.S. partner support when mission fit and compliant use of funds are verified.

How funds work. All funds are administered by Acts of Kindness Foundation with full discretion. Assistance is delivered through verified partners or vendor payments — never as unrestricted cash to individuals.
